THE LEGATUS MISSION

To study, live and spread the Faith in our business, professional and personal lives.

Study:
Ongoing education is at the heart of Legatus. We are matching members, who have a thirst for knowledge, with the most profound and convincing body of religious knowledge in the history of human thought.

Live:
Translating the teachings of Christ and the social teaching of the Church into practical applications helps our members become eminently pragmatic about their faith.

Spread:
Legatus is the Latin word for "ambassador". Our members don't typically wear their faith on their shirtsleeves. They spread the faith through good example, good deeds and high ethical standards.

Legatus currently provides service to over 2,000 businesses in over 90 chapters (and growing) across the United States, and internationally on three continents.

Each month our members enjoy the benefits of:
Networking
Peer Support
Spiritual Growth
Full Spousal Membership

We welcome you to explore membership with us.
