WHAT IS A LEGATUS VIRTUAL COHORT?

- o **It's a facilitated peer group journey** focused on discernment and developing a personal plan for more joy, impact, and balance in your next season.

HOW DOES IT WORK?

- o **Meet virtually via video conference** with a Legatus Halftime coach and an intimate cohort of peers for six 90-minute sessions.

WHAT WILL WE ACCOMPLISH?

- o **GAIN CLARITY:** Get unstuck and craft a clear, comprehensive plan for your next season.
- o **AVOID BLIND SPOTS:** Glean feedback and insights from a cohort of like-minded peers and from the Legatus Halftime Coach facilitating your cohort.
- o **LEARN THROUGH A PROVEN PROCESS:** Benefit from a process that has helped thousands of leaders get clear, get free, and get going on their next season.
- o **GET CONNECTED:** Build relationships with other leaders in the Legatus Halftime alumni network who are engaged in your area of interest.

WHAT MAKES THE PROGRAM UNIQUE?

- o **Spiritual growth:** Our coaching and curriculum focus on your spiritual growth and development as you discern your next season.
- o **Self-discovery:** Answer questions such as: Who are you at your core? How has God wired you? What are you uniquely suited for? What is holding you back?
- o **Legatus Halftime Coaching:** Each coach has been through this season and is called and equipped to guide others through it. Your first coaching session is included as a part of the Legatus Cohorts program, but many clients choose to add additional sessions.
